OCTOPUS AUTOMATIC ADD-VALUE SERVICE

「八達通自動增值」服務

A BEA cardholder can also apply for Octopus Automatic Add-Value Service, as well as service for up to 3 relatives / friends aged 12 or above, so that you can avoid the hassle of waiting in queues to reload the Octopus cards.

客戶更可為其本人及三名年滿12歲之親友申請「八達通自動增值」服務，讓你及親友毋須再排隊為八達通卡增值，真正省時方便。

Note : 1. When you use your Personalised Octopus card at an Octopus reader, it will be automatically reloaded with HK\$250 when the stored value is zero or negative, or the remaining value plus the maximum negative value (HK\$35) is not enough to cover the intended value deduction. 2. Each Personalised Octopus card can only be reloaded automatically once a day. 3. Application form for The Bank of East Asia Credit Card Octopus Automatic Add-Value Service should be submitted concurrently if the said service is required (Application forms are available at all BEA branches).

註：1. 若閣下之個人八達通卡的儲值額降至零或出現負數，又該儲值額加上備用餘額（最高HK\$35）不足以應付所需費用時，你的個人八達通卡即自動增值HK\$250。2. 每張個人八達通卡每天只可進行自動增值一次。3. 如欲申請東亞銀行信用卡八達通增值服務，請一併遞交有關表格（申請表格可於東亞銀行各分行索取）。

* Please refer to the "Octopus Automatic Add-Value Service" application form for details. 詳情請參閱「八達通自動增值服務」申請表格。

每月只須付出少少，即可享受更多購物樂趣。客戶於任何商戶簽賬滿HK\$1,000或以上，並致電東亞銀行申請，便可享受6或12個月免息分期還款。每月手續費劃一為該簽賬額之0.5%。
